

Stand UP, Speak OUT: Reproductive Rights

At this critical time for women's reproductive rights comes a timely documentary short produced by BC Voices, Inc., [Stand UP, Speak OUT: Reproductive Rights—Know Your Rights](#), to shed light on how we got to where we are and what we can do.

In 28 minutes, it tells the story of American women's 200 + years and ongoing fight for reproductive freedom, from the founding of the USA to today. It calls on us all to Stand UP and Speak OUT until every woman has bodily autonomy, the right to bear or not bear children, and can raise her children in a safe and sustainable community.

Lush Cosmetics is pleased to partner with BC Voices and screen this comprehensive, compelling and moving historical narrative.
